Product:

Our brew masters wanted to create a beer that was easy to drink after a day out on the water. Big Wave is a light, golden ale with a tropical aroma hops. An easy to drink and refreshing beer. The use of caramel malt contributes to the golden hue of this beer, and our special blend of hops and a good finish.

Kona Brewing Company was started by father and son team Cameron Healy and Spoon Khalsa. The pair had a dream to create fresh, local island brews made with spirit, passion and quality. Their love of Hawaii, and a desire to protect the pristine environment here, brought them to the Big Island to fulfill their vision. Kona Brewing continues to be headquartered right where it began, in Kailua-Kona on Hawaii's Big Island.
