ACE Black Jack 21 Craft Cider

USA

Product:

Our signature, Blackjack 21 is made for celebration because it celebrates our 21 years in business. In an effort to bring awareness to the once abundant Sebastopol gem the Gravenstein apple; we will be planting a Gravenstein apple tree in our orchard for every bottle sold. This cider is unlike any other cider and is much like a fine sparkling wine. Dry in finish, this cider pairs well with many dishes such as grilled veggies, soup or pasta.

Producer:

California Cider Company is the first family owned cider in the US. We have been making ACE ciders since 1993 in the beautiful Sebastopol area of Sonoma County California just north of San Francisco. We are located among some of the world's most renowned wine makers and apple orchards.

It's time to try something new and exciting. Cider is lower calorie and gluten free in comparison to other alcoholic beverages. Ace ciders are a refreshing alternative to beer and wine. No sugar is added to our beverages, the only sugar occurs naturally from fresh fruit, making our ciders crisp in taste and flavor. Our award winning ACE ciders are pure, clean and refreshing because we use only the best eating apples for our juice and the best ingredients we can buy. We use champagne yeast in all of our cider and ferment them 10 -14 days. We then cold - filter 4 times and add the perfect amount of spritz to quench your thirst

We guarantee you will notice the care and quality we take to produce every bottle. That's what makes us ACES!
