Hazy pink raw sour refermented with raspberry. This beer combines the complexity of our raw ales with the freshness of raspberry. A favorite among natural wine lovers. Aged in oak foeders and drawn off using a one vessel solera style method.

Producer:

Our entire brew setup is customized to fit the raw beer brewing process. By modifying surplus dairy tanks from Norwegian farms, we were able to get what we needed at an affordable cost. We also like the added bonus of upcycling derelict equipment instead of getting new made and shipped half across the globe.
