

Best Beer for the Best Moments

Eik & Tid Eldr FAT

Norway

Type: Beer, Acidulous Beer / Micro/Craft, / Keg,

Producer: Eik & Tid

Product:

This deep and rich copper colored beer combines a complex range of tart and dried dark fruit notes from the Kveik fermentation with a generous amount of caramel from the malts. The result is a complex raw dark sour. Aged in oak foeders and drawn off using a one vessel solera style method.

Tilgjengelig også på 33 cl flaske

Producer:

Our entire brew setup is customized to fit the raw beer brewing process. By modifying surplus dairy tanks from Norwegian farms, we were able to get what we needed at an affordable cost. We also like the added bonus of upcycling derelict equipment instead of getting new made and shipped half across the globe.
