Producer:

Founders Brewing Co. ble etablert i 1997 av to mikro-øl entusiaster, Dave Engbers og Mike Stevens. Med sine hverdagslige jobber og drømmer, brygger Founders Brewing Co komplekse, «in-your-face» ales, med mye aromater og tonnevis av smaker. Founders er rangert blant de 30 største mikrobryggerier i USA, og er en av de raskest voksende. Bryggeriet ligger i sentrum av Grand Rapids, Michigan, og stifterne er et stolt medlem av Michigan Brewers Guild og Brewers Association. Founders-familien har vokst opp rundt denne enkle filosofi: "We don't brew beer for the masses. Instead, our beers are crafted for a chosen few, a small cadre of renegades and rebels who enjoy a beer that pushes the limits of what is commonly accepted as taste. In short, we make beer for people like us."
