Our Mission Statement: "To build on our heritage, enhance our quality products, our people and our processes for the benefit of our customers, our staff and our company."

Westons export to more than 40 countries worldwide, and produce over 30 different ciders & perries. Henry Weston, the great-grandfather came to 'The Bounds' at Much Marcle, Herefordshire in 1878 and continued the tradition of using fruit from the farm orchards to make cider and perry. Making and drinking cider and perry formed part of the pattern of life in the country. The development of commercial cider making began in 1880 when Henry recognised the threat from overseas imports, which had been created by the British Empire.
