Mythos Ice

Greece

Type: Beer, Light Lager

Producer: Mythos Brewery Ltd.

Product:

Mythos Ice is filtered and chilled on -1C at the same time, offering an absolute refreshing feeling. A light bitterness, a sense of coolness, and the golden shades of the liquor are mastrefully combined to create a full body flavor. In a unique flint bottle with an easy open cap, Mythos Ice is here to refresh us all year long.

Producer:

The company originated from Henninger Hellas S.A., the local Greek importer of German beer, Henninger, established in 1968. In 1992 the company was acquired and in 1994 changed the name to Nothern Greece Brewery Ltd, which was supposed to be a genuine Greek beer company. Mythos was introduced in 1997, and in 2000 the company changed name to Mythos Brewery Ltd., as Mythos had by then become their main product. In 2008 Mythos became a part of Carlsberg Group.
