St. Bernadus ABT 12

Belgium

Type: Beer, Dark Belgian Ale

Producer: St. Bernadus

Product:

The St. Bernardus Abt 12 is the pride of the brewery. It is an Abbey ale brewed in the classic 'Quadrupel' style. Dark in color with a full, ivory-colored head. It has a fruity aroma, full of complex flavors, that excels because of its long bittersweet finish with a hoppy bite. Worldwide, this beer is seen as one of the best beers in the world. It's a very balanced, with a full-bodied taste and a perfect equilibrium between malty, bitter and sweet. It is brewed according to the original recipes from the days of license-brewing for the Trappist monks of Westvleteren with the original St. Sixtus yeast stem.

Producer:

Brewery St. Bernard brews dark and blond abbey ales since 1946. All our beers are brewed with our own yeast, malts of the highest quality and hops from our own hopfield right next to the brewery.
