BREWED IN WALES, ENJOYED EVERYWHERE!

Inspired by Bavarian tradition; built for modern times. Wrexham Lager has stood the test of time by providing the World with the exquisite taste of Welsh liquid gold.

In 1882, two German Immigrants, Ivan Levinstein and Otto Isler, set forth to brew lager beer in the UK. Their idea was unlike most of the attempts by other breweries at the time, which was to use the new paler malt, brew it with top-fermenting ale yeasts and store the beer for longer to imitate the keeping properties of traditionally-made continental lagers.
