

# Best Beer for the Best Moments

## Eik & Tid Syr 33 cl

Norway

**Type:** Beer, Acidulous Beer / Micro/Craft,

**Producer:** Eik & Tid

### Product:

This is our long term aged raw golden sour. By blending from ex wine barrels and foeders we layer stone fruit, vanilla and umami in an explosion of flavours. The level of complexity in this beer makes it one of our favourites both to make and to drink!

Også tilgjengelig på 75 cl flaske

### Producer:

Our entire brew setup is customized to fit the raw beer brewing process. By modifying surplus dairy tanks from Norwegian farms, we were able to get what we needed at an affordable cost. We also like the added bonus of upcycling derelict equipment instead of getting new made and shipped half across the globe.
