O'Hara's Irish Pale Ale

Ireland

Type: Beer, Light Ale / Micro/Craft, Light Ale

Producer: Carlow Brewing Company Ltd.

Product:

Contemporary style I.P.A. - dry hopped for extra aroma. Appearance: Rich golden color with a white head. Flavors: This pale ale has a light malt base with just the right mouth feel to allow the hop character to predominate. Grapefruit like bitterness is full and lasting and is balanced by a zesty citrus burst of aroma from two late additions of cascade hops. Aftertaste: The Citrus flavors give way at the end to the floral, spicy bitterness of Amarillo hops. Food Pairing: Light fish dishes - sea bass, crab, prawns, roast pork, or blackened chicken with Buffalo wings where the IPA will strengthen the spicy flavors in any spicy dish.

Carlow Brewing Company, also known as O'Hara's Brewery, is an independent, family-owned business established in 1996 and one of the pioneers of Irish craft brewing. Located in the heart of Ireland's traditional malt and hop-growing "Barrow Valley" region which has strong historical linkages to the Irish brewing industry, we are proud to have been at the forefront of the new wave of Irish craft brewing for almost 17 years. As a craft brewery we brew our beers true to the tradition - with taste and flavour. It takes a combination of passion and respect for the craft, curiosity and creativity to build a good craft brewery and to brew great beers. Share in our passion, taste our beers, explore a brief insight into O'Hara's Beers through our website and we'd be happy to have you join us one day at the brewery.
