Spitfire Amber Ale, Keg

England

Type: Keg, Dark Ale

Producer: Shepard Neame Ltd

Product:

Spitfire is one of the UK's best-loved beers with an international reputation as a Great British Classic. Since its inception as a one-off brew back in 1990, Spitfire has enjoyed phenomenal success, earning a Royal Warrant and protected status as a Kentish Ale. While the great taste has remained constant throughout its history, the Spitfire family has grown to include golden ale and lager, each imbued with the distinctive Spitfire spirit. Today Spitfire has a dynamic new look reflecting the nature of the iconic plane that inspired its creation and befitting its status as an ale of substance and character.

A true classic, Spitfire Amber is the head of the Spitfire family and a true taste of Kent. It was first brewed to commemorate the 50th anniversary of the Battle of Britain, played out in the skies above Kentish soil. It is brewed using 100% Kentish hops, the finest malt and water drawn from a well deep beneath Shepherd Neame's Faversham brewery.

Producer:

THE FAVERSHAM BREWERY

The Faversham Brewery is home to Shepherd Neame, Britain's Oldest Brewer. Nestled in the medieval market town of Faversham in Kent, brewing has continued on this site for centuries.

Using natural ingredients, such as mineral water from the town's aquifer and local hops, our brewers produce Kentish ales bursting with character and renowned international lagers.

Our brewers blend art and science to produce award-winning beer we want you to enjoy time and time again.

Detailed Information
